

Magnum Suppressors

Brigade Tactical is poised to disrupt the silencer market by offering modular, versatile cans that compete with products 2x the price. Our patented baffle technology is unlike any others currently on the market.

The Brigade Tactical Magnum Suppressors are 30 cal cans that will handle anything you want to put through it. The suppressor is 5/8 x 24 direct thread and also includes a 1/2 x 28 barrel adaptor that allow them to be used on rifles and carbines from .17 HMR to .338. Lapua Magnum The 100% stainless steel construction baffles make it extremely durable. The Magnum Suppressors have repeatable Sub MOA Accuracy and comes with a lifetime warrant..
